All aboard the ark! With a catastrophic storm on its way, Noah is given a monumental task: build a boat big enough to save his family from a flood that will cover the entire earth. As Noah endeavors to live faithfully in the midst of an increasingly chaotic world, can he trust that God's promises run deeper than the rising waters around him? Returning for one season only, this landmark production takes you on board one of the world's best-known voyages as live animals fill the stage and aisles. Set sail inside the enormous ark as this extraordinary story comes to life in this special 30th anniversary season!
