APRIL 27-MAY 5, 2026

NO PASSPORT? DON'T LIKE TO FLY? NO PROBLEM!

THIS TOUR OF MICHIGAN HAS ALL THE EUROPEAN FLAIR WITHOUT LEAVING THE UNITED STATES!

Day 1—April 27, 2026

This morning, we'll board the coach and begin our journey northwest to Detroit, Michigan. Today will be a travel day. Rest stops and a lunch stop will be made along the way "on your own". We will arrive and check-in at our hotel, where we will spend the next two evenings. Dinner is included this evening. (D)

Day 2—April 28, 2026

Enjoy breakfast at the hotel this morning. We'll start the morning off boarding the coach with our local guide. Hear stories of how the French influenced Detroit as we make our way to the Edsel Ford House. Here we will take a guided tour of the property where Edsel and Eleanor Ford filled their home with English and French antiques and an impressive collection of fine and decorative art. You'll unlock the secrets of this storied estate by engaging with our guide, unraveling tales of automotive legacy, architectural marvels, and the Ford family's cultural impact. Delight in private access to stunning gardens, opulent interiors, and panoramic lakefront views. We'll finish off our time here by having lunch with a fantastic view of Lake St. Clair. Next, we'll get back on board the bus with our local guide who will continue her tales of French heritage on our way to the Basilica of Ste. Anne de Detroit, the second oldest continuously operating parish in the United States. Here, she will show you around as the basilica boasts soaring neo-Gothic architecture and the oldest stained-glass windows in the city of Detroit. Afterwards, we'll continue our tour of Detroit as our guide takes us on a historical adventure with viewings of Michigan Central Train Station, Hotel Fort Pontchartrain (the original site of Cadillac's fort), Cadillac's 1701 Founding Convoy plaque, and see the statues of the "Fab Four" French Founders. Tonight dinner will be included at a local French restaurant. (B, L, D)

They'll join us as we head to Windmill Island Gardens, home of the last working windmill allowed to leave the Netherlands and an abundance of tulip fields! The windmill 'de Zwaan' stands amongst 36 acres of exhibits & gardens. The mill still turns and grinds grain into flour and a tour up 5 floors is the highlight of any visit to the park.
